**Riverpark Twenty or Thirty Mile Leisure Ride
(with a Twist)
Friday, October 26th, 10:00am**

On the October 26th Riverwalk Ride, we're doing something a little different! We'll be doing our regular ride, but we'll also be joined by students from Chattanooga State. Let's show our support for their Intramural Program by sharing our biking knowledge and showing the students how much fun biking can be!

Since this is right before Halloween, feel free to wear a costume to add to the fun!

Chuck will be leading his regular route to St. Elmo and back, and Peggy will be leading a shorter route, to The Ice Cream Show and back, for beginner riders. So, there are lots of fun opportunities!

Chuck's ride consists of two loops:

The first loop is a leisurely ride that follows the Riverwalk from the Hubert Fry Center to the Wheland Foundry Station in St. Elmo, and then returns to Hubert Fry Center. The ride has a "bring your own snack" stop at the Blue Goose Hollow Station on the way back from St. Elmo. Near the end of the loop, riders have the option of either heading back to Hubert Fry Center, or adding the second loop, a ten mile ride that follows the South Chickamauga Creek Greenway. The average speed for the second loop will be a bit higher!

Peggy's route will follow the Riverwalk to the Hunter Art Museum. Then, we'll cross the 'glass' bridge to the Ice Cream Show for treats or coffee before heading back to the Fry Center. Average speed for this option will be set by the slowest rider. This is a no drop ride. This ride will be about 10 miles long.

CBC Board Nominations

Nominations for the 2019 CBC Board are open. If you are interested in holding a position on the board next year, or know someone you would like to recommend for the board, please contact Peggy Olson (920) 412-0999. (Deadline is November 30, 2018.)

Bicycles Needed at Chatt State!!

The Chattanooga State Community College Intramural Department is looking to acquire gently used bikes to promote bicycling events with their students. At present, they only have 5 bikes available and would like to grow their fleet.

They currently have occasional rides for breakfast or lunch, but they would like to expand their program to include beginner biking lessons and safety training, along with more rides. They would also like the CBC to possibly include their students in future rides and events.

If you have an old bike that you are not using, you could donate it to a good cause! It would be a way to share your passion by passing the means to enjoy biking to a new generation of riders.

For directions on how to donate your old bicycle, please contact Kelvin Clay, Intramural Coordinator at Chattanooga State Community College, Kelvin.Clay@chattanoogaastate.edu .

Halloween Half-a-Hundred October 27, 2018, Jasper, TN

All riders will receive a T-shirt, post ride freshly grilled hamburger and cold beer courtesy of Stevarinos Restaurant in South Pittsburg. Both rides will be fully supported with on-course SAG and rest stops. Registration fee: \$35.00.

Bring your family and stay around for the Jasper Lions Club Jackolantern Jamboree on the Square. Lots of free fun for the entire family including trick-or-treating, games, music, and food.

Ride Pictures

A group of riders from CBC did a non posted ride of the western side of the Silver Comet last Thursday, 10/18/18. Joe Nivert, Linell Schultz, Jon Bell, Loretta Lynn, Howard Rowe, John Vass, Pete Williams, Marty Pinson and Chuck (photographer)

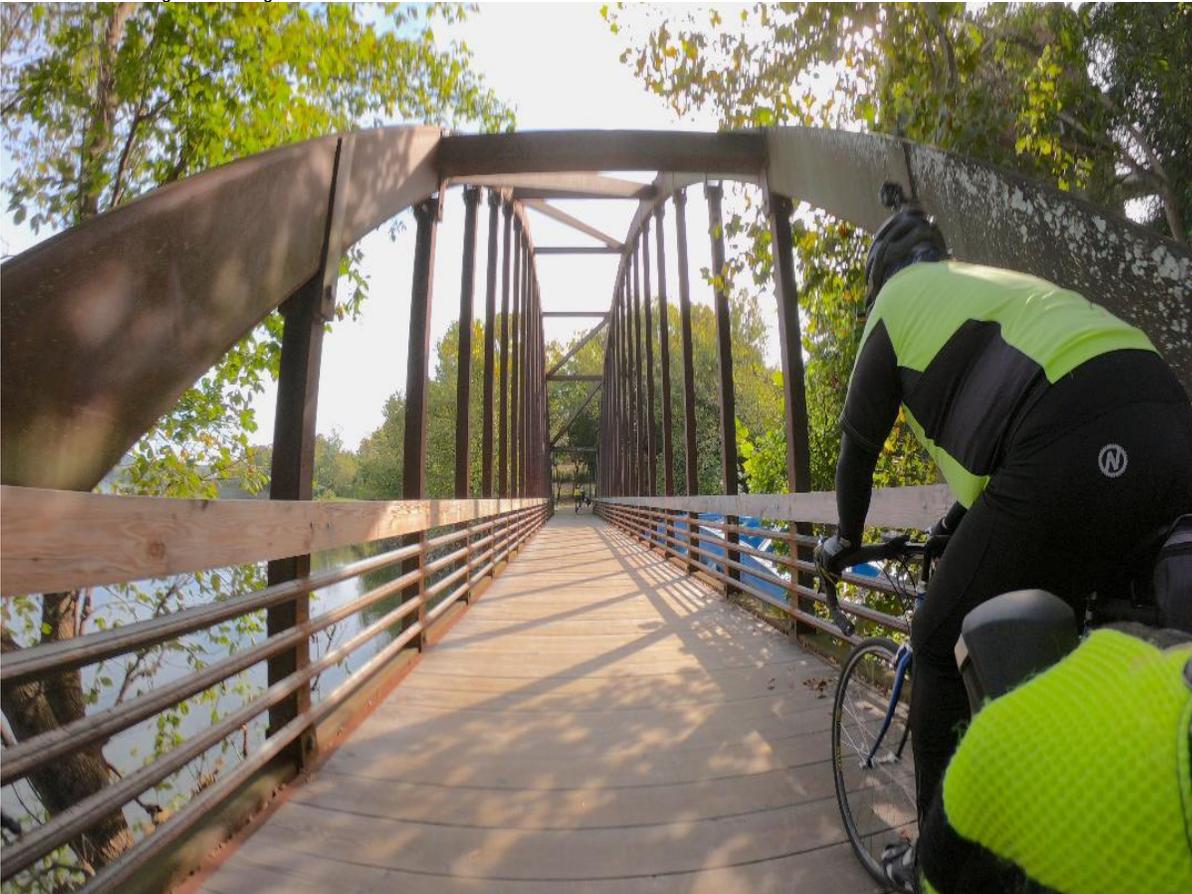

We had another chilly start for the Riverpark Leisure 20-30 on October 19, but it again quickly warmed up into a beautiful day!

The riders were: Ted Dickerson, John Oakey, Mike Hartline, Bob Haag, Daisy Blanton, Pete Williams, AJ Johnson, Alan Eddy, Joan Thompson, Tony Thompson, Beverly Short, Rich Rudner, Jon Bell, Raleigh Cooper, Joe Nivert, and Chuck (photographer). AJ Johnson and Alan Eddy joined us for the first time. A great addition to the group.

This is what happens with a truly candid shot. Daisy Blanton and Raleigh Cooper not looking their best. Tony Thompson fared ok.

Rich Rudner is very proud of his gloves that spell Chattanooga when held together. One of the many perks from helping with the Chattanooga Challenge the week before.

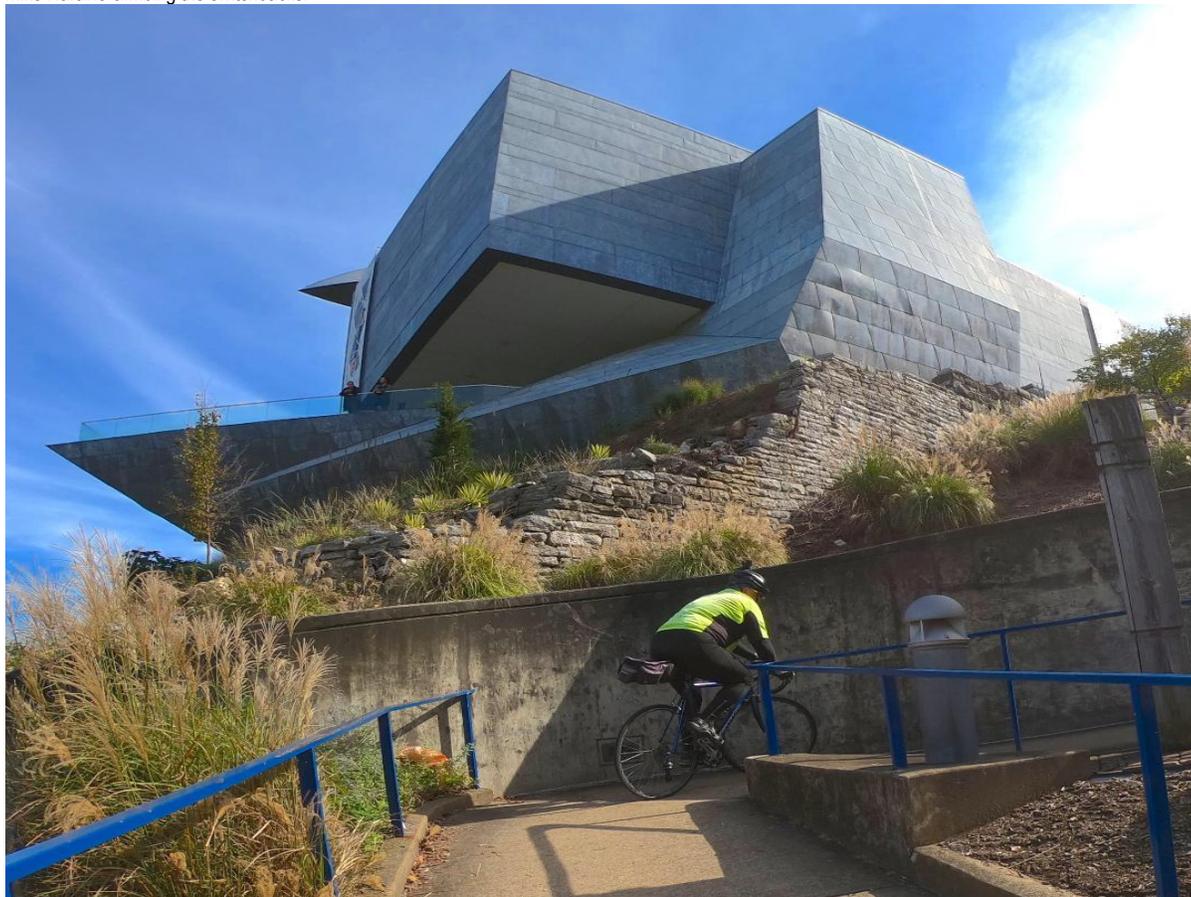

Riding by the condos fronting onto the river. Really nice!

Thanks so much to Peggy and Bob for the CBC End of Season Hoe Down! The weather killed all the scheduled rides but we managed to have a great time anyway. Some got in a short ride later that afternoon.

Our wonderful host, Peggy, that is, Kipper (the dog) tried her best to be a good host. Legs just weren't too cooperative.

A good time was had by all.

There were four of us for the Tuesday ride from Chickamauga. Ted Dickerson, Gray Fletcher, Daisy Blanton, Tony Thompson

I like to keep up the tradition of giving the dogs treats at the 'Pink House'.

Almost back to Chickamauga, Jon Bell joined us. That was a nice treat.

This picture showed up as a memory on Facebook. What fun to see the group of girls on a ride in October 2010. October Ladies Road Ride to Mountain Cove Farms. It includes Carol Zitzow and Hugh Worthy - both so very missed. Also Linell Schultz is there who we have had some great visits with this last week. There are so many other familiar faces but the names are not coming. We had some good times then!

Ted Dickerson has created a short, fun video of CBC riding. It is well worth checking out. <https://youtu.be/gwoaD5F32X0>

Let's step it up and decorate ourselves! Find a silly or spooky costume to add to the fun.

We'll meet at Pruett's Market, on Taft Highway, at 10:00 and roll around (and up and down) the beautiful roads on Signal Mtn. Along with the spooky yards, we'll see some awesome vistas along the Brow and (hopefully) some fall color.
