# WINTER WORKSHOPS

Learn Outdoor Skills Indoors

Outdoor Chattanooga's Winter Workshops are a series of classroom-based, outdoor education and skill-building workshops that cover a variety of outdoor topics. Workshops are free, open to all ages, and occur on Thursdays, 6:30-8:00 PM, Jan. 10 through Feb. 28, 2019, at Outdoor Chattanooga, 200 River St. in Coolidge Park. Join for one, some or all to improve your outdoor skills. No reservations or experience required to attend.

[January 10 – Leave No Trace](#)

This Leave No Trace Awareness Workshop will cover the Seven Principles with an emphasis on preparation, planning, skills, and techniques that are essential to Leave No Trace. LNT Educator, Riley Kurts will discuss what to do when nature calls in nature and how to properly poop in the woods. This workshop is geared towards anyone who enjoys spending time outdoors including scout leaders, camp staff, trip leaders, outdoor professionals, college students, and teachers. Certificate of completion available for those interested.

[January 24 – Map and Compass](#)

We've become pretty dependent on smartphones for wayfinding, but what happens if the signal fails or the battery dies while you're out on the trail? Learn the basics of how to navigate using the "old school" method of map and compass. Maps and compasses are available for use during the class.

[January 31 – Bike Maintenance 101](#)

Outdoor Chattanooga's bicycle guru, James Eubank, will demonstrate and allow time for practice on how to prevent and fix a flat tire. Tools will be provided and questions will be encouraged. Hands and clothing might get dirty/greasy. Bring your bike or use one of ours to practice on.

**Ride Pictures**

Urban Ride - Red Bank. Renamed as the Malfunction Junction Ride. I may get the order of these mixed up or miss some but this is the just of our

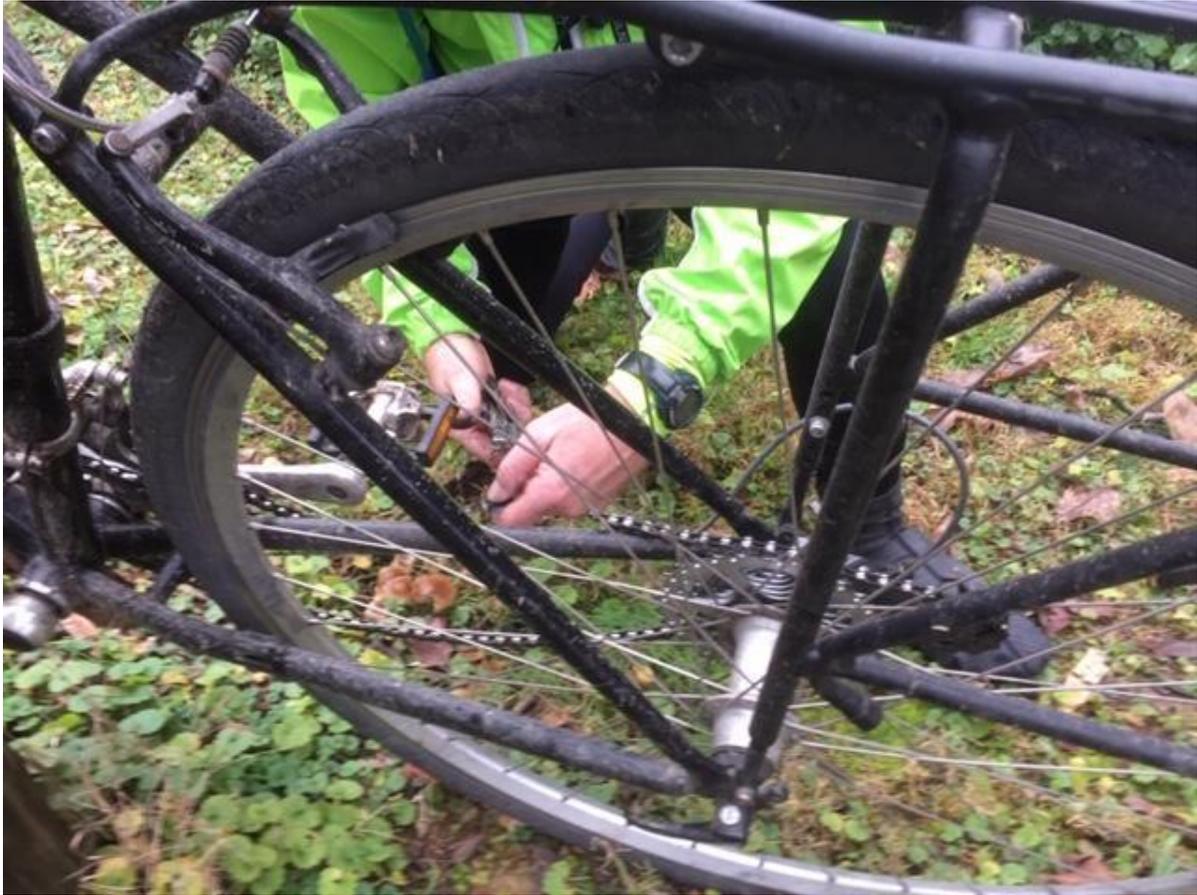

misadventures. The first malfunction was a flat tire for Peggy.

Shortly after that Daisy's chain slipped between the big ring and the stop on the outside. It gets stuck and is difficult to get loose. That happened at least two more times on the ride. (It went to the shop the next day.)

Shortly after that, Tom's chain broke. We didn't have the perfect tools for this fix. But after two different attempts Tom was able to get it working so he didn't have to walk back.

The screw for Daisy's mirror got loose and it kept slipping around. Eventually the whole mirror just popped out and landed in the street. Chuck was the only one of the four of us that didn't have a problem. What a ride!

Another rain out on Friday this week and another Riverpark Leisure ride on Saturday! The South Chickamauga Creek Greenway was still flooded and we still weren't able to ride that optional part for additional miles. But, Sharon led part of the gang out along the Burnt Mill loop for extra miles.

The riders were: Rich Rudner, Peggy Olson, Howard Rowe, Jim Wildeman, Daisy Blanton, Lori Smith, Sharon Russell, Jon Bell, Ed Park, Joe Nivert, Richard Russell, Tim Hixson, John Oakey, Mike Hartline, Patti Nihells and Chuck (photographer).

We had a little treat on this ride. The gate at the old Wheland Foundry building was open so we did a little exploring. It is fascinating. I do hope they will come up with some way to preserve this wonderful structure.

Peggy's Apison to Red Clay Ride. She's taking over for Lou to find every steep hill around. Daisy Blanton, Patty Nihells, Tony Thompson, Joan Thompson, John Oakey, Mike Hartline, Peggy Olson and Chuck (photographer).

This is for some of us older riders. Monday Hilda Fraley invited a few of us who used to ride together several years ago to hike on Little Cedar Mtn. It was only 3 miles but it felt like at least 5 or more. Rocky and up and down. It was really fun though and so good to be with old friends. Tom Baker, Bobby Smith, Morgan Fraley, Hilda Fraley, Daisy Blanton, Jewel. Jewel, by far, had the best time. Carol Baker took the picture.

North Georgia Lite - Tour de Chickamauga Creek. We started off with 9 riders, I think. It dwindled down to 6 at the very end. Peggy Olson, Daisy Blanton, Beverly Short, Walt Amador, Pete Williams and Chuck (photographer). Jim Wildeman, Tony Thomson, and one other either turned back or went ahead.

**Thursday, Jan 10 - Urban Ride** - Need ride posted.

**Friday, Jan 11, 10:30 AM - Riverpark Twenty or Thirty Mile Leisure Ride** - This ride consists of two loops. The first loop is a leisurely ride that follows

the Riverwalk from the Hubert Fry Center to the Wheland Foundry Station in St. Elmo, and then returns to Hubert Fry Center. The ride has a “bring your own snack” stop at the Blue Goose Hollow Station on the way back from St. Elmo. Near the end of the loop, riders have the option of either heading back to Hubert Fry Center, or adding the second loop, a ten mile ride that follows the South Chickamauga Creek Greenway. 20 or 30 miles (rider choice!), 9-10 mph, no drop. The average speed for the second loop will be a bit higher!

**Sunday, Jan 13 - No Ride Scheduled** - We would love for you to schedule a ride. Just put it on the ride calendar.

**Tuesday, Jan 15, 11:00 AM - N GA Lite** - This is a ride that takes place every Tuesday morning. Its location and time are variable. If the ride calendar is not edited with specific information, that means there is no ride leader and there won't be a ride that day. We will try to have a ride each week. 20-35 miles, 10-13 mph, no drop.
