## South Chickamauga Creek Greenway - Help Us Complete the Final Mile!

Friends and Partners,

I'd love for you to read the below message and consider making a donation to complete the South Chickamauga Creek Greenway, a 20+ year project led by the Trust for Public Land in partnership with City of Chattanooga. With a few pending grant proposals, we are so close to our goal to have full funding in place to start construction end of 2019. Please consider a gift (of any size), share this message with friends, and certainly, go for a walk or ride on the greenway—it's especially beautiful this time of year!

For 25 years, The Trust for Public Land has been working with the City of Chattanooga to develop greenways that take advantage of our natural waterways, including the Tennessee River, South Chickamauga Creek, and related tributaries.

Now, we are working hard to finish the final mile of the South Chickamauga Creek Greenway - the last piece of a legacy effort that will establish a creekside, walking and bicycle route for Chattanoogaans and visitors.

Once complete, the 12-mile greenway will run from the Tennessee Riverwalk all the way to Camp Jordan, linking diverse neighborhoods for recreation and access to the city's central business district.

We need your help! A generous anonymous donor has offered to match every gift we receive, dollar for dollar! Please don't miss out on [this amazing offer to double your impact](#).

We are so close to a finished South Chickamauga Creek greenway for all to enjoy!

Please help us finish the last mile.

With appreciation,

Warmly,  
Jenny Park

### Jerseys, T-Shirts & Socks are available in the CBC Store

CBC short sleeve T-shirts, Jerseys and Socks are for sale now in the Club Store. T-Shirts will be shipped when purchased.

There is also a tab referring to '**Clearence**' items. These are items left over from previous events or club jerseys that were not sold at the time. Especially for new members, this is a great chance to get some older clothing. It is restricted to the sizes mentioned. However many folks wear clothing designated for the opposite sex. In these items it really doesn't matter. It just depends on how it fits. So check these out.

### Ride Pictures

We had a fun time on Tony Thompson's **Snow Hill/Francisco/Dolly Pond Loop** ride. As usual, we forgot to take pictures on the ride. Chuck Puglisi, Beverly Short and Daisy Blanton ate at the Countryside Cafe afterwards so Chuck took this picture of Beverly and Daisy.

---

The riders on the **Leisure 20-30** on September 27 were: Marty Pinson, Pete Williams, Daisy Blanton, Bob Haag, Joe Nivert, Jim Wildeman, Peggy Olson, Fred Buttner, Robert Powderly and Chuck (photographer). Gray Fletcher, Mike Hartline, Dennis and Brandi Jones didn't join us for the picture.

---

Another Boathouse Ride for the Donner Party / South with Joe Nivert, Robert Powderly and RAGBRAI Bob Haag. Iron men ??? No way .... more like Jello men. Okay...so we're more prepared for the "Jelly Doughnut Man" than the "Iron Man", but we sure have fun!

Pete Williams, Fred Buttner, Daisy Blanton, Joe Nivert and Bob Haag at Blue Goose Hollow.

Mike Hartline, Marty Pinson, Dennis & Brandi Jones, Gray Fletcher and Peggy Olson.

Joe Nivert & Pete Williams. This is a good ride for your 'unusual' bikes.

Great ride for an **Apple Dumpling and Ice Cream** lead by Thomas Jamison. Followed by Jim, Tom B., Calvin, Lynn, Scott, and Howard. We met up with Lou, Cindy, Joe and their group riding in New Harmony.

---

Joined a few other volunteers to **test ride** the upcoming **Cycle Sequatchie**. Another beautiful day on a bike! A special treat was passing 100+ horses, some pulling wagons, that were part of a charity ride for cancer. You never know what you'll see on a bike ride! One of us had a mouth full of a Payday. Group shot at our rest stop.

Saggy Bob pulled through with drinks and snacks for the ride.

---

It was slow going while passing about a mile of horses. Only spooked one wagon, making them run into a yard.

---

Trying to ride with the horses.

---

We appreciated the cloud cover during the ride. The sun broke through right at the end of the shorter ride.

---

We're taking this as a good sign - a double rainbow over our home base in Dunlap! New grass, new splash pad, new pavilion. Can't wait for the 5th!

---

Number was low but quality was fine on **N GA Lite ride**. It was a short cool ride with most of it spent in the shade of the Battlefield. It was really nice there but hot when we got in the sun. On the way out we saw more deer in the Battlefield than I ever have by a lot. It was really neat. Angie Kimsey, Sharon Tingley, Tony Thompson, Greg Frazier and Daisy Blanton photographer.

**Friday, Oct 4, 9:30 AM - Riverpark Twenty or Thirty Mile Leisure Ride** - This ride consists of two loops. The first loop is a leisurely ride that follows the Riverwalk from the Hubert Fry Center to the Wheland Foundry Station in St. Elmo, and then returns to Hubert Fry Center. The ride has a "bring your own snack" stop at the Blue Goose Hollow Station on the way back from St. Elmo. Near the end of the loop, riders have the option of either heading back to Hubert Fry Center, or adding the second loop, a ten mile ride that follows the South Chickamauga Creek

Greenway. 20 or 30 miles (rider choice!), 9-10 mph, no drop. The average speed for the second loop will be a bit higher! <https://ridewithgps.com/routes/26460895>

**Friday, Oct 4, 9:30 AM - First Friday Family Fun Ride** - Join us for First Friday Family Fun rides!

This ride will occur the first Friday of every month May-November unless otherwise noted. Meet at the southern terminus of the Riverwalk at the Wheland Foundry trailhead parking lot. This will be a very gentle, leisurely ride appropriate for the whole family, so bring your kids that can ride their own bikes or your younger kids in a trailer or seat! We might even stop for ice cream, a snack, or to even play on the playground for a while (seriously...there's absolutely no agenda here other than to get our kids out and have fun).

No bike? No problem! Ride leader Kat Volzer has a limited number of bikes to borrow, including adult bikes, kids bikes, and trailers for smaller children. Contact Kat if you'd like to borrow a bike at 423-762-0939 or [kvolzer@collegedaletn.gov](mailto:kvolzer@collegedaletn.gov).

**Saturday, Oct 5, [CYCLE SEQUATCHIE](#)** - Either ride or Volunteer!!

**Sunday, Oct 6, 10:00 AM - Sunday Riverwalk/Downtown Group Option Ride** - Riding downtown Chattanooga and nearby areas on Sunday – when vehicles and people are minimal – becomes really enjoyable. In fact, downtown transforms into this glorious “ghost town” where bike riders seemingly own the place; making it and the surrounding neighborhoods a lot of fun to ride.

This event also has the distinction of being a Group Option Ride. Every ride does launch from and return to the Riverpark's Hubert Fry Station, but the riders may select from routes such as:

Touring Fort Wood – lots of older, restored homes and businesses.

Cruising Broad, Market, and Chestnut Streets; maybe a stop at Farmers Market.

Heading toward the Dam, down Dotson and back on Holtzclaw.

Don't forget to bring a snack for our brief Recharge Stop along the way.

Ride Leader: Rich Rudner, 954-261-1828 - [rudnerr@comcast.net](mailto:rudnerr@comcast.net)

Ride Length: Approx. 20 miles

Average Speed: 11-13 mph

Rest/store stops: Available

This is a no-drop ride.

**Sunday, Oct 6, 9:30 AM EDT - Reliance to Bald River Falls** - The weather is still great for a trip to Bald River Falls!

This is a 62 mile route that starts at Webb's Store, in Reliance, and brings us all the way to Bald River Falls and back. It's hilly, but oh, so beautiful! We will stop in Tellico Plains for lunch on the way back, at Tellico Kats. It's under new ownership, so let's try it out.

I will start out in the front, but end up leading from the back.

Time: Be ready to roll at 9:30 am

Location: Webb Brother Store, 3708 Hwy 30, Reliance, TN. Park in the grass lot behind the store, away from the building.

Distance : 62 miles

<https://ridewithgps.com/routes/7732615>

Overall average: 12-14mph. You are welcome to go faster, just make sure you know where you're going.

Bad weather or poor road conditions will cancel this ride. Call if questionable.

**Tuesday, Oct 8, 9:00 AM - N GA Lite** - This is a ride that takes place every Tuesday morning. Its location and time are variable. If the ride calendar is not edited with specific information, that means there is no ride leader and there won't be a ride that day. We will try to have a ride each week. 20-35 miles, 10-13 mph, no drop.
